THE WEAVERS COTTAGE

Enjoy an AV show, introducing the town land of Dunlewey, followed by a demonstration of weaving and spinning. Our experienced guides will then take you on a trip back in time through the cottage of Manus Ferry (The World Famous Weaver). The cottage is a gateway to the past and is to this day preserved just as it was when Manus Ferry weaved his famous tweed. (Duration 20-30 mins)

THE BOAT TRIP

The Grainne Rose takes trips out on Dunlewey Lake, where you can absorb the scenery passing spectacular landmarks such as a prehistoric Crannog, whilst listening to mystical and enchanting stories that surround Dunlewey such as “The Green Lady” (The Ghost of the Guinness Estate) (Duration 20-30 mins)

RESTAURANT AND TEA ROOMS

Our Restaurant and Tea rooms are ideally situated to give dramatic views of the surrounding landscape. Why not enjoy Lunch from our extensive menu while sat by our impressive open fire, as you immerse yourself in the mystery and wonder that is Dunlewey.
